Rodmaster 6600 400ml
Part # = CCA6600X-400F

Rodmaster 6600 is a high performance two part methacrylate adhesive engineered for rodding natural stone. It offers outstanding bond strength, is extremely durable, with excellent impact and weathering properties. Rodmaster 6600 greatly increases the durability of rodded stone, improving the stone's load capacity up to five times compared to polyesters and other adhesives. The dual cartridge application saves time and labor eliminating hand mixing and waste. It is also suitable for bonding sink clips and many other applications.

Market Price: \$26.00
Rockhead Price: \$22.00 ea.

Chem-Set C30 Marblemaster "Dripless" Seaming Adhesives 250ml
Part # = CCA-C30-XXXX-250 (XXX=color #)

C-30 Marblemaster is a two-part methacrylate, super flexible, dripless/non-sag, low shrink, low exotherm, ultra violet light stable, non-yellowing hard surfacing adhesive designed for the nearly seamless bonding of Porcelain, sintered stone, glass, engineered stone, marble and quartz, and natural stone products. Combined at a ratio of 10:1 (10 parts resin, one-part activator), C-30 has a working time of 10 to 15 minutes, with a 5 to 10 minute De-Roping Time, and achieve nearly 90 percent of its ultimate strength in 45 to 60 minutes at room temperature curing.

C-30 offers a combination of high strength, stiffness, and toughness as well as the ability to bond very strongly to a wide variety of hard surface or inorganic materials. When combined with the proper use of ChemSet's ProBond surface cleaner/activator, C-30 provides high strength bonds to virtually any stone, engineered stone or quartz or granite products, including porcelain, sintered stone, and glass. With the use of ProBond, stone fabricators can bond successfully to wet stone, although bonding underwater is not permitted or recommended.

Market price: \$25.00 ea.
Rockhead Price: \$22.50 ea.
Free freight @ 20+ pcs.

Chem-Set C19 Seaming Adhesives 250ml
Part # = CCA-C19-PXXXX-SC/MC
(XXXX=color #)

Ideal for fabricating countertops, bathroom vanities, wall panels, and other surfaces, C19 produces tough, virtually invisible bonds on a variety of surfacing materials including cast polymers, acrylics, polyester blends, engineered quartz, and natural stone. Available in multitude colors, C19 Seaming Adhesives coordinate with all major domestic and international brands of surfacing; both acrylic and polyester. They can also be custom tinted. Depending on the color, they cure to either an opaque or translucent finish. Supplied in convenient cartridges, C19 is mixed in a 10:1 ratio with static nozzles that eliminate premixing, pot-life concerns, cleanup, and waste. Adhesives are UV-stable, Greenguard certified and all ingredients are European EINECS-compliant. They are 100% reactive and contain no solvents.

Market price: \$25.00 ea.

Rockhead Price: \$17.75 ea.

Free freight @ 20+ pcs.

Rockhead Stone Repair Kits
Part # = CCA800-RH

This easy to use repair kit has become an industry standard product for filling chips, gouges, and deep scratches on a variety of surfaces. This kit includes the CA5 thin, and CA2400 thick repair compounds along with the QT2 accelerator for instantaneous curing.

Market Price: \$21 ea.

Rockhead Price \$16.50 ea.

Stone Tac Aerosol Accelerator 6 oz
Part # = CCA-STAC-6OZ

The Stone Tac is a next generation aerosol accelerator developed specifically for stone repair. Unlike other general-purpose accelerators which can cause discoloration, this product was formulated to reduce or eliminate the occurrence of "green bloom" or "blossom" that occurs on certain types of stone. Compatible with the CA5, CA100, and the CA2400 repair compounds, the Stone Tac offers a safer more user-friendly repair system for any workforce.

Market Price: \$19.23 ea.
Rockhead Price \$15.84 ea.

Keep-nut Sink Anchor bag of 100
Part # = CCH-KN-2S-1/4-100PK

The Chem-Set Keep-Nut by Special insert is a self-anchoring insert designed for anchoring natural stone, quartz and solid surface. The Keep-Nut by Special insert is ideal for use on undermount sinks and countertops, stone surfaces as well as vertical panels, shower/fireplace surrounds, ventilated facades, wall-coverings, décor and interiors, furniture, and much more. This revolutionary blind anchor requires a drilling depth of only 1/4" (6.5mm) and provides pull out strength of 560 lbs. per anchor in granite!

Market price: \$160.00 ea.
Rockhead Price: \$115.00 ea.

1-1/4" stud, wing-nut bag of 100
Part # = CCH-KNPK-1-1/4-100

Post for Keep-nuts

Rockhead Price: \$10.00 ea.

Sink Clips (USA made) bag of 100
Part # = Z Shape = CCH732G, C
Shape = CCH733G

Our sink clips are currently available in two designs, the Z-shape and the C-shape for ultimate flexibility in mounting sinks of all types. Both clips offer large mounting holes for adjustability. Made proudly in the USA

Market Price: \$ 41.00 ea.
Rockhead Price: \$20.00 ea.

Glue-on Sink Fastener Set bag of 100
Part # = CCH755K

(Includes perforated glue-on sink stud, wingnut, and sink clip) These glue on fasteners are a great solution for mounting sinks on solid surface, quartz and even natural stone. No drilling required. Fast application offers many process benefits. Beware imitators, our original "No Drill" fasteners are much better constructed than similar products on the market today. For best results use with Chem-set 633, 605 or Rodmaster adhesive.

Market Price: \$98.00 per bag 100

Rockhead Price: \$78.00 per bag 100

CounterBalance Support Brackets
Part # = Various (CCH-CBXXXX)

CounterBalance support brackets for cabinetry, bar tops, floating shelves and workstations are designed to give you an invisible, modern and sleek look to perfect any extended countertop overhang. Naked to the eye, our line of countertop overhang support brackets are highly regarded in the industry and can be in your warehouse as soon as tomorrow.

Market Price: Varies by style
Last Column Pricing on any quantity for all bracket types

Dry Treat Sealers & Cleaners
Part # = Various (DRYXXXXX)

Dry Treat impregnating sealer technology is different.

The special penetrating sealer molecules are hundreds of times smaller than competitor stone sealers and penetrate much deeper into the pore structure, even dense natural stones like granite. Inside the pores our special sealing molecules bond permanently by chemical reactions, creating a substantial, deep oil and water-repellent barrier. The deeper Dry-Treat barrier, not only provides great surface stain protection, but also protection against more serious common types of damage cause by water ingress (penetration), including efflorescence, salt spalling, freeze-thaw spalling, and picture framing.

Market Price: Varies by style
Last Column Pricing on any quantity
for all Dry Treat products

MS35 Substrate Adhesive
Part # =CCS-MS35-WT-100Z

10.3 oz crt. White or Clear - Permanently flexible high strength "Eco" sealant is 2-3x the strength of silicone, with better adhesion to many materials. No odor, no VOC, and high "green strength" for fast assembly.

Market Price: \$8.42 ea.
Rockhead Price: \$6.42 ea.

Counter top Protection Film Clear 24" x 600'
Part # = PRES30L40

Protect your finished surfaces from plumbers, electricians and other contractors on the job site. This adhesive-backed film is ideal for natural stone and quartz.

Market Price: \$77.69 ea.
Rockhead Price \$62.00 a roll

Solid Surface Protection Paper 24" x 300'
Part # = PRES7186

Protect your finished surfaces from plumbers, electricians and other contractors on the job site. This adhesive-backed paper is intended specifically for solid surface and will not mar the finish or leave a residue on these surfaces.

Market Price: \$80.54 ea.
Rockhead Price: \$68.00 a roll

Chem Set Blue Painters Tape

High Quality Economical Painters Tape, ideal for painting, caulking, gluing, bundling, and marking.

3/4" x 60 yds - 64 per case

Part # = CCT-P621-3/4

Market Price: \$103 per case (\$1.62 per roll)

Rockhead Price: \$89.36 per case (\$1.40 per roll)

1" x 60 yds - 48 per case

Part # = CCT-P621-1

Market Price: \$103 per case (\$2.15 per roll)

Rockhead Price: \$89.36 per case (\$1.86 per roll)

1 1/2" x 60 yds - 32 per case

Part # = CCT-P621-1-1/2

Market Price: \$103 per case (\$3.22 ea. per roll)

Rockhead Price: \$89.36 per case (\$2.79 per roll)

2" x 60 yds - 24 per case

Part # = CCT-P621-2

Market Price: \$103 per case (\$4.29 ea. per roll)

Rockhead Price: \$89.36 per case (\$3.72 per roll)

Chem-Set P74 2" Miter Tape - CCT-P74-2C Chem-set P74 Poly Film Tape - Clear 2" x 60 YD for Miter folding

This polyethylene tape is used for miter applications in conjunction with or in place of miter clamps to create tight joints. This 7 mil tape has high tensile strength allowing the stone to be pulled in place and comes off clean.

2" x 60 yds - 24 per case

Market Price: \$250 per case (\$10.42 ea. per roll)

Rockhead Price: \$201 per case (\$8.38 ea. per roll)
