

E-Z XTREME CONDITIONS

Pacer E-Z FUSE TAPE

NO DRYING TIME

Pacer Technology's E-Z Fuse Tape is a self-fusing, insulating tape material that forms a permanent, waterproof, UV-resistant, airtight seal when cured. The easy-to-use, flexible material stretches around uneven shapes and forms. Specific uses include: water hose and pipe repair. E-Z Fuse Tape is UL listed as an Insulating Tape for use up to 600V and up to 1760°F (800°C).

- Quick fix for leaky pipes
- Works underwater
