- Topical Solution

Chem-Set™ HAND SANITIZER

PRODUCT DESCRIPTION

Hand Sanitizer—Non-sterile Solution: Chem-Set™ HS1 is a alcohol antiseptic, non-sterile, hand sanitizer manufactured to CDC & FDA guidelines.

DIRECTIONS FOR USE

Chem-Set™ Hand Sanitizer is designed for use on hands when soap and water are not available.

- 80% alcohol to prevent drying and irritation.
- Apply a liberal amount of Chem-Set™ Hand Sanitizer to hands.
- Briskly rub hands together until product dries.
- Do not use cloth to dry hands.

Place enough product on hands to cover all surfaces. Rub hands together until dry. Supervise children under 6 years of age when using this product to avoid swallowing.

CONTENTS AND WARNING:

Active Ingredients: Alcohol 80% v/v Purpose: Antiseptic

Inactive ingredients: purified water, glycerin, hydrogen peroxide. USP

Warnings: For external use only.

Flammable. Keep away from heat or flame. Do not use on children less than 2 months of age or on open skin wounds. When using this product keep out of eyes, ears, and mouth. In case of contact with eyes, rinse eyes thoroughly with water. Stop use and ask a doctor if irritation or rash occurs. These may be signs of a serious condition.

Keep out of reach of children.

If swallowed, get medical help or contact a Poison Control Center right away.
