

# NEW Chem-Set™ Color Master

Use our app on your phone in a few simple steps:

- 1 Align the center of the circle to the color you want to scan
- 2 Press "Scan" in the Chem-Set™ Color Master app.

**Stay tuned...** more information to come!

## DO YOU KNOW YOUR COLOR MATCH?

- Find your color match on solid surface, engineered stone, quartz, granite marble, porcelain and more
- Mathematically compare our color matches to the surface with the use of a delta ( $\Delta$ ) score
- Scan logos or custom colors to create custom inlays or seams
