FAST-CON® is the new and revolutionary quick pressure fastening system entirely in stainless steel, designed by **Specialinsert®**. Indestructible, stainless, resistant to flames and corrosion. The very small size and the concealed fixing system make it perfect for every kind of use and finish: from nautical to furniture, from transport to camper outfitting.

Small and light
for every finish

Indestructible
quality

Corrosion
resistant

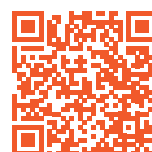

Flame
resistant

Quick and easy
installation

Specialinsert®
