COATED**

WORKSTATION BRACKETS

The **CounterBalance®** Workstation Brackets provide a cost-efficient, secure install to support countertops, workbenches, garage storage, ADA stations, computer stations and other “floating” work surfaces. These products are available in many useful sizes and come in a variety of colors to match your surface. The Workstation Brackets are designed to attach to load-bearing studs and can support an overhang extending 6” beyond the length of the bracket as per industry standard recommendations.

- Handicap accessible vanities and workstations
- Stone and solid surface
- Weight Bearing Shelving
- 1/8” steel construction
- Very strong - exceeds - 1,000 lbs load limit
- 1 1/2” mounting surface with multiple 1/4” holes per side
- Standard color textured powder coat finishes
